

# ROOSEVELT

## MAP & GUIDE

SHOP // DINE // EXPLORE

Nestled between Seattle's bustling University District and popular Green Lake, this historic neighborhood keeps its charm while maintaining a thriving business center. Once called the Hollywood District, the neighborhood changed its name to Roosevelt in 1927 after the main thoroughfare was renamed to honor Theodore Roosevelt.

Today, whether you're looking for the perfect home decor, or the best homemade granola, you can find it in the Roosevelt business district.

The neighborhood continues to evolve. Sound Transit Link light rail opens in 2021, and will offer fast, frequent connections to Northgate, the University of Washington, Capitol Hill, Downtown Seattle, sports stadiums, Southeast Seattle and Seattle-Tacoma International Airport.
