Homelessness Response Resources
By Katie Wood

Homelessness touches us all in different ways. In Roosevelt, some common concerns have been homeless camping in parks and in vehicles, drug use and needle disposal, and excess trash. If you or someone you know is being impacted directly or indirectly, this info may help. Info taken directly from https://goo.gl/VAAU5l where all links are active.

Find shelter or social services?

Vote for your top Your Voice, Your Choice: Parks & Streets projects

http://www.seattle.gov/neighborhoods/programs-and-services/your-voice-your-choice/get-involved/vote

In February 2017, community members from all over Seattle submitted 900 potential project ideas for small-scale improvements to parks and streets throughout the city.

In March 2017, community members evaluated project ideas based on impact and need to narrow the list down to 8-10 projects per City Council District.

NOW, you get to VOTE for your favorite projects in your council district.

Voting takes place between June 3 - 30. Community members ages 13 and up can vote online or at in-person polling stations (community members ages 11-12 can vote via paper ballot). Paper ballots are available at all community centers and libraries. The projects that receive the most votes will be funded by the City and implemented in 2018.

Ballots will be tallied after June 30 and winning projects will be announced by July 18.

If you need a paper ballot, please contact Kraig Cook at Kraig.Cook@seattle.gov or 206.256.5944.

Thank you, Blockheads!

By Gina Leone

Please join me in thanking all of the amazing volunteers that have made sure the Roosie got delivered to the neighborhoods this past year! During the year we had several long time Blockheads retire. Thank you Kate, Andrew, Bruce, Kristen, Sean, and Dane, for all of your time and hard work! We will miss you.

On the other hand, I’m so happy to welcome some new Blockheads who have joined the ranks in the last few months. Thank you Allison, Sarah, Kristin, Eliot, and John and Lynn for volunteering your time! And a special THANK YOU goes out to Kate and Nancy who have been helping me count out the newsletters and get them out to all of our Blockheads for delivery.

We are always looking for new volunteers. If you are interested in delivering the Roosie to your neighbors, please email Gina Leone at blockhead@rooseveltseattle.org.

Land Use Update
By Jay Lazerwitz

Sound Transit: Site re-development & TOD

The Sound Transit Board approved resolution R2017-20 supporting affordable housing for the Roosevelt TOD site. This bases the valuation for the property, to maximize affordable housing creation by reducing acquisition costs, for development to those not earning more than 60% of area median income (AMI) and establish a base price in the offering commensurate to achieving that outcome.

The approved resolution outlines the "Restricted Value" of the site at $6.75 to $9M. More information can be found at: https://goo.gl/cLAOlU.

Big thanks to Councilmember Rob Johnson for his strong support & leadership on this resolution. Also, thanks to Redmond, Mayor Marchione for his succinct synopsis of the 3 options that the Sound Transit Board had in regard to this vote. The final vote had an overwhelming majority to approve this resolution.

Next steps: Sound Transit staff will be finalizing the Request for Proposals (RFP) due to be published in June. The RNA will be continuing to stay engaged and plans to take part at every stage of this process.

For more information on this process, publications, public survey, and information, see: https://goo.gl/JJcwTD.

RNA - Housing Affordability Livability Agenda (HALA) Survey
Community input on the MHA Citywide Draft proposal deadline is June 30th. You can submit feedback to the City via https://hala.consider.it/

The MHA Draft Environmental Impact Statement (due out soon) has a comment period for 45 days.

The City staff will draft MHA legislation and mapping changes, that will be transmitted to the City Council in Fall 2017, and Council will take public input on MHA Sept 2017 – June 2018, and vote on this at the end of that period.

Neighborhood Urban Planning
Time to start thinking about the Public spaces throughout the Roosevelt neighborhood, survey where are active places and how can these be better linked, and what are our long-range goals?
